ANG MO KIO METHODIST CHURCH (TRAC)

AMKMC BULLETIN

Kingdomtide begins on the last Sunday in August, and it is the last season of the Christian calendar. During this season, we affirm that all we do in our life comes under the kingship of the Triune God. Christ is celebrated as King and Sovereign of the world, with God's Dominion over all of creation. The focus in this season is often social justice and action that flows from a heart submitted to God. The colour of Kingdomtide is green - the colour of growth and spring.
