

AMKMC Children Ministry

Family and Life Month Activity

Objectives:-

- Create bonding time with family members through activities
- Build strong family ties
- In line with Church theme “Home with a heart”

What to do:

1. During the school holiday week, families are encouraged to participate by doing just **one** activity at home. This activity could be one of the following:
 - ❖ Singing
 - ❖ Cookery
 - ❖ Game
 - ❖ Craft

Samples of each activity are attached for your reference. If you have other ideas, that’s just wonderful. However, we don’t want to stress you up.
2. Here comes the **important part!** Please take photos of you and your family in action, doing the activities! The samples also show the kind of photos we hope to receive.
3. Another **very important part!** Send your photos to Amy so that they can put them together into a video. This will be broadcast when the video is ready. Whether the Church meets physically or online, the video will be broadcast.
4. Timeline: Please have your photos sent by 31st July 2020.
